26th July, 2017

Dear Sir/Madam,

719/2

Kindly refer to my earlier letters of even number dated 9th March, 2017, 16th May, 2017 and 12th July, 2017 (available on UGC website: www.ugc.ac.in) regarding maintaining the data pertaining to Ph.D. scholars on the website of your esteemed University and for sending a link of the same to UGC on email ID scholarsinfo.ugc@gmail.com.

As per clause 5.6 of the "University Grants Commission (Minimum Standards and procedure for Award of M.Phil/Ph.D Degrees) Regulations, 2016" notified in the Gazette of India on 5th July, 2016, the University shall maintain the list of all the M.Phil/Ph.D. registered students including name of the registered candidate, topic of his/her research, name of supervisor/co-supervisor, date of enrolment/registration on its website on year-wise basis.

Accordingly, the Commission in its 521st Meeting held on 22nd February, 2017 has decided to request all the universities to upload data regarding Ph.D. on their website on the parameters mention in the proforma failing which a list of defaulting universities would be placed on the UGC website.

In spite of repeated reminders neither the data has been uploaded on your university's website nor has the desired information been received from your university. You are, therefore, once again requested to upload the data pertaining to Ph.D. Scholars on the website of your university on the parameters mention in the **enclosed proforma immediately** and also send a link to UGC on email ID scholarsinfo.ugc@gmail.com. Kindly also send a scanned copy of the data, duly verified by the Dean (Academic Affairs), to UGC on the same email ID after the data is uploaded on the website of your esteemed University.

I seek your personal indulgence in this matter and I hope that this may be given **Top Priority** to avoid your university's name in the list of defaulting universities to be uploaded on UGC's website.

With warm regards,

Yours sincerely,

(Jaspal S. Sandhu)
