API Performa for Professor, Associate Professor & Assistant Professor

ACADEMIC PEFORMANCE INDICATORS (API) FOR
CAREER ADVANCEMENT SCEME (CAS) AND DIRECT RECRUITMENT

CATEGORY– I: TEACHING LEARNING AND EVALUATION RELATED ACTIVITIES

Based on the teacher's self-assessment, API scores are proposed for **(a)** teaching related activities; domain knowledge; **(b)** participation in examination and evaluation; **(c)** contribution to innovative teaching, new courses etc. The minimum API score required by teachers from this category is different for different levels of promotion. The self assessment score should be based on objectively verifiable records. It shall be finalized by the screening cum evaluation/selection committee. Universities may detail the activities, in case institutional specificities required, adjust the weightages without changing the minimum total API scores required under this category.

Category I	Nature of Activity	Assistant Professor		Associate Professor		Professor		API Score claimed by applicant
		Max. Score	Actual Score	Max. Score	Actual Score	Max. Score	Actual Score

 # Supporting documents, wherever be attached.

Note:

1. Direct Teaching 16/14/14 hours per week include the Lectures/Tutorials/Practicals/Project Supervision/Field Work.

2. University may prescribe minimum cut-off, say 75%, below which no scores may be assigned in these sub-categories.

3. In consonance with established academic and teaching traditions, and with a view to reinforcing a student-centric and caring approach the teachers are encouraged to work with students, beyond the structure of classroom teaching. Indicatively, this could entail mentoring, guiding and counseling students. In particular teachers would be the best placed to identify and address the needs of students who may be differently able, or require assistance to improve their academic performance, or to overcome a disadvantage. There are no prescribed hours for such efforts, measured either in weeks or months, or in the context and calculation of the API scores, these are nevertheless important and significant activities that could be carried out by teachers.

CATEGORY II: PROFESSIONAL DEVELOPMENT, CO-CURRICULAR AND EXTENSION ACTIVITIES

Based on the teacher's self-assessment, Category II API scores are proposed for Professional development, cocurricular and extension activities; and related contributions. The minimum API required by teachers for eligibility for promotion is fixed in Table II (A). A list of items and scores is given below. The self-assessment score should be based on objectively verifiable records and shall be finalized by the screening cum evaluation committee for the promotion of Assistant Professor to higher grades and selection committee for the promotion of Assistant Professor to Associate Professor and Associate Professor to Professor and for direct recruitment of Associate Professor and Professor.

The model table below gives groups of activities and API scores. Universities may detail the activities or, in case institutional specificities require, adjust the weightages without changing the minimum total API score required under this category.

Category II	Nature of Activity	Maximum API Score	Actual Score	API Score claimed by applicant
a	**Student related co-curricular, extension and field based activities.** (i) (Discipline related co-curricular activities (e.g. remedial classes, career counselling, study visit, student seminar and other events.)
