## *Civil & Electrical Engineers*

---

### **Job Summary:**

We are seeking an experienced Civil Engineer to join our team. The ideal candidate will be responsible for designing and overseeing construction projects, ensuring compliance with building codes and regulations, and managing project budgets and timelines

**Designation:** Electrical Engineers (Telecom Tower Erection, Foundation, & Other Related activities)

**Company Location:** SAS Nagar (Mohali). Punjab

**Currently Running Projects:** RJIO-5G/Indus /BSNL /FIT-OUT/DEPL/SKIPPER LTD/Other GOVT. Electrical & Civil Project Related.

**Current Project Locations:** Punjab, Haryana, Himachal Pradesh (HP), Jammu, Chandigarh, Rajasthan

**Job Type:** Full-time, 3<sup>rd</sup> Party Vendor Basis (Off-Role), On Contract with Company. Smart Phone & Laptop is Compulsory on the time of starting job/Training

**Job Profile:** Field Job on Telecom Sites and Work on Heights will be Mandatory part of the Job.

**Certification Required:-** E-Stack, H-Stack, L-0, L-1 Certified Person will be given priority.

### **Tower Foundation & Tower Erection**

Civil engineers are responsible for designing and constructing the foundation of a tower. The foundation must be strong enough to hold the weight of the tower and withstand environmental conditions, such as wind, rain, and earthquakes. The foundation design includes geotechnical analysis, soil testing, and structural analysis. The type of foundation used depends on the soil conditions, tower height, and expected loads. The most common foundations used for telecom towers are spread footings, mat foundations, and drilled shafts.

After the foundation design is completed, civil engineers supervise the construction of the foundation. This includes excavation, concrete pouring, and reinforcement installation. They also ensure that the foundation is level and meets the design requirements.

**Company Address:** Plot No: E 237, "Tower Greens", Phase 8-B (Industrial Area), Sector 74, SAS Nagar(Mohali)-160055 Punjab, India

*(An ISO 9001:2015, ISO 14001:2015, OHSAS 18001:2007, ISO/IEC 27001:2013 Certified Organization)*
