Subject: Fortnightly Special Drives for narcotics control

Madam/Sir,

The Vision Document for Narcotics Control 2026–2029 assigns specific responsibilities and measurable targets to all Departments and Drug Law Enforcement Agencies (DLEAs) of Central & State Government. While these activities are required to be pursued throughout the year as part of their routine mandate, it has been considered desirable that certain priority interventions be undertaken across the country simultaneously in a campaign mode for a designated fortnight.

2. Such synchronized nationwide action is expected to generate greater synergy among all stakeholders, facilitate coordinated planning and execution, bring the selected issue into national focus through extensive media and public outreach, and encourage wider community participation. It is also expected to create the necessary momentum for sustained action beyond the campaign period and accelerate achievement of the objectives of the Vision Document.

3. Accordingly, a calendar of fortnightly Special Drives for next one year starting August 16, 2026 has been prepared and is enclosed as Annexure-A. During the specified fortnight, the identified activity may be accorded special priority by all concerned Ministries, Departments and Agencies. These campaigns are intended to supplement not substitute the regular responsibilities and time-bound targets already assigned under the Vision Document.

4. Since public awareness and community participation are essential elements of the Whole of Government and Whole of Nation approach to combating drug trafficking and substance abuse, all stakeholders are requested to ensure appropriate publicity to the campaign through print and electronic media, official social media platforms and community outreach programmes, wherever feasible.

5. It would be appreciated if the outcome of the Special Action Drive is shared with NCB Headquarters within fifteen days of completion of the campaign for compilation and review by the Department concerned of Central Government & ANTFs of the State.

6. I am confident that these coordinated nationwide campaigns will further strengthen inter-agency collaboration, enhance public awareness, and contribute significantly towards achieving the vision of a **Nasha Mukt Bharat**.

Warm regards.

Your sincerely,

Encl: As above.

Sub: Implementation of the Vision Document on Narcotics Control 2026-2029.

Sir/Madam,

The Government of India has adopted a comprehensive Whole-of-Government approach to combat the menace of narcotic drugs and psychotropic substances to realise the vision of a 'Nasha Mukt Bharat'. Pursuant to the directions of the Hon'ble Union Home Minister during the 9th Apex Level NCORD meeting held on 09.01.2026, the Narcotics Control Bureau, in consultation with Central Ministries/Departments, enforcement agencies and State Governments, prepared the Vision Document on Narcotics Control (2026–2029), which was formally released by the Hon'ble Union Home Minister during the 10th Apex Level NCORD Meeting held on 26.06.2026 for implementation by all stakeholders.

It envisages important responsibilities for the all stakeholders including strengthening the NCORD mechanism with outcome-oriented approach; inter-departmental convergence; demand reduction, treatment and rehabilitation measures; capacity building; and other initiatives requiring coordinated action by various Ministries/Departments.

3. It is requested to issue necessary directions to all concerned for timely implementation of the action points and targets assigned. It is also requested to institute a Mechanism to review and monitor the timely achievement of the objectives envisaged under the National Roadmap.
