Message

I joined the V.B.S. Purvanchal University as Director, Central Training and Placement Cell about two and a half years ago. Since then, we have tried to give the students certified hands on computational training according to the requirements of the discipline being pursued by the student. Most of the computational trainings for the MBA, B. Tech, MCA, B. Pharm and Science students of the VBS Purvanchal University Campus were carried out for eight days, 4-5 hours with an examination conducted at the end of the training. We also had a Microsoft training certification programme for the B. Tech students. We also held long hours of soft skill enhancement programs for personality growing, mock interviews for the overall development of the students. Our efforts in giving training to the students culminated in our efforts to arrange a JOB FAIR-2020 for the Campus as well as the students of affiliated colleges.

I have tried to do my level best to get the best companies possible keeping in mind the level and interest of the colleges also, hiring graduate and post graduate students of all streams. I have also tried to fulfill the desire, in fact the Vice-Chancellor's dream that the students of the University and affiliated colleges steps out of the Campus with their degree in one hand and the offer letter in the other. I salute the noble cause of our Vice Chancellor, Prof. (Dr.) Raja Ram Yadav and thank all the teachers and staff who made sincere, dedicated efforts to make the JOB FAIR-2020 a huge success.

I thank the coordinators of job fair Dr. Santosh Kumar, Dr. Raj Kumar and Dr. Amrendra Kumar Singh for all their dedication, teachers and the students without whose support this huge JOB FAIR-2020 could not have been possible. I thank our office "Prabhari" Mr. ShyamTripathi for all the support and getting all the required work done on time.

To our students, I have only one message, work hard, achieve your goal, make a road map to follow your dream. Your hard work and sincerity will take you to the top, step by step. "Good Luck and Best Wishes". Keep the flag of VBS Purvanchal University flying high! It is you, students, who are the backbone of the University.

Prof. RanjanaPrakash

Director
Central Training & Placement Cell
